

## Sourcing Governance Foundation (SGF)

Duration: 3 Days

### Description:

The Sourcing Governance Foundation course provides a basic knowledge of what the main concepts of Outsourcing and Sourcing Governance are and how they can be applied. Best practice shows that implementing and operating a Sourcing Governance Function will require staff awareness and understanding of the key principles and concepts of outsourcing and sourcing governance. In this course an interactive approach is used combining lecture, discussion and exercises.

Together with our partner consultants, we are the pioneer accredited training organization for the Sourcing Governance Foundation certification, which was created by APMG-International in conjunction with International Association of Outsourcing Professionals® (IAOP®).

Undertaking the course and successfully passing the examination qualifies an individual for COS-FP (Certified Outsourcing Specialist™ – Foundation Principles) certification from the International Association of Outsourcing Professionals® (IAOP®).

The course, syllabus and examination are supported by the publication “Outsourcing Professional Body of Knowledge (OPBOK)”
