Certified in the Governance of Enterprise IT (CGEIT)

Duration: 3 Days

COURSE DESCRIPTION

This 3-days course is not an official ISACA training course; however, it is led by a Certified in the Governance of Enterprise IT (CGEIT) with over a decade of experience and familiarity with the ISACA resources. The training material is built from the latest version of review manual and QAE books but reorganized into an easy-to-understand format.

COURSE OBJECTIVES

Preparing for the ISACA's CGEIT examination
