

NTC TRAINING SCHEDULE 2022

*Network Training Center is leading training providers of Computer Networking,
IT Management, Professional skills, Programming & Software Development, and Manufacturing.*

WHO IS NTC ..

Network Training Center (NTC) is one of Thailand's leading training providers of Computer Networking, IT Management, Professional Skills, Programming & Software Development, and Manufacturing. We are also a Pearson VUE test center that give you access to hundreds of certifications and qualifications.

NTC is an authorized training center of CISCO, ITIL, PMI, EPI, EC-Council, ISACA, CompTIA, Cloud Credential Council, etc. who has trained more than 30,000 learners to advance their knowledge and achieve their career goals.

For the past 18 years, we have trained and helped more than 40,000 learners while offer more than 500 certified IT training and professional training programs.

We are also specialized in customized in-house training that work for your business. Our courses are continuously upgraded to ensure our learners are up to date on the latest industry requirements and best practices and instructed or trained by experienced experts and certified instructors. Our learning lab is designed to fulfill hands-on lab practice with the standard equipment and materials to meet your unique needs.
